SPRINT

SIGN-UP TODAY!

Pressure test your idea in 12 weeks.

Intraprise^o was created to harness the power of intrapreneurship to enable you and your team to **quickly pressure test a new idea** for a product, service or division. Our unique two-person team approach couples a seasoned leader and a rising next gen star to help to qualify and move to market one of the many great ideas that you have been considering.

Intraprise^o
is built on the
five benefits of
intrapreneurship:

1. Identifying and commercializing your best growth opportunities
2. Retaining and developing dynamic future leaders
3. Smoothing the transfer to the Next Gen of (family) leadership
4. Attracting top talent by developing an inclusive culture of innovation
5. Readyng your team for an ownership change or capital event

Join the next cohort in Mississauga beginning March 26, 2020.
